### **Shedore Family Donates Lift-Equipped Van**

Huntersville, N.C. - On October 10, Rob Shedeore and his entire family, wife Cherie and their children Sophia, Spencer and Serena came out to the farm to drop off a surprise – a 1998 Dodge Caravan equipped with a wheelchair lift and an electric wheelchair! The van had previously belonged to Rob's father, George, who had recently passed away. It was their wish that the van and chair go to someone local where they would continue to benefit person or persons with a disability. Luckily for us, Rob heard of our program-under-construction via mutual friend Bob Blackburn with whom the Shedore's attend church. Rob is a local anesthetist and Cherie home schools their children.

In the near future, Hinds Feet Farm will put the van to good use in the support of our new Day Program.

Hinds Feet Farm is extremely thankful to Rob and his family for their generous donation!
