### **Larry Zaino Completes Eagle Scout Project**

Huntersville, N.C. - On October 24, Larry Zaino, the son of Mr. and Mrs. Larry Zaino and a member of Boy Scout Troop 19 completed his Eagle Scout Project. Thomas, with the help of fellow scouts, family members and friends completed his project which consisted of improving an important drainage area at the future main entrance to the farm of the property.

For his project, Larry added 40 feet of new culvert pipe to an existing pipe under the northern entrance to the farm. Once installed, the new pipe was covered with dirt and reseeded with grass. The resulting area, in addition to draining better, will be significantly easier to mow as well as be more attractive.

Larry's project took over 110 man-hours to complete.

Hinds Feet Farm is extremely thankful to Larry and fellow scouts for their hard work and generosity on this project!
